Situated at The Vines Resort & Country Club in Perth's beautiful Swan Valley, Ready Steady Golf provides a program for children and adults with special needs. Classes coincide with each school term and are conducted by MTI Golf Academy, winner of the 2015 WA Golf Industry Council's Outstanding Game Development Award and the 2018 WA PGA Game Development Award. Participants will learn golf skills in a fun, friendly and supportive environment. The program also provides a pathway to mainstream programs and aims to help build confidence and friendships by providing healthy interaction.
