

Situated at The Vines Resort & Country Club in Perth's beautiful Swan Valley, Ready Steady Golf provides a program for children and adults with additional needs. Classes coincide with each school term and are conducted by MTI Golf Academy, winner of the 2015 & 2019 WA Golf Industry Council's Outstanding Game Development Award, the 2018, 2019 & 2020 WA PGA Professional Game Development Award and the 2020 PGA Australia National Game Development Award. Participants will learn golf skills in a fun, friendly and supportive environment. The program also provides a pathway to mainstream programs and aims to help build confidence and friendships by providing healthy interaction.
