

# Community Entertainment Hub

## “The Swan Valley’s premium family focused destination”

The Vines is well placed to create a unique entertainment experience for the residents of The Vines, Ellenbrook and Aveley. It also has the potential to become one of the most visited attractions in the Swan Valley. To achieve this, we need to shift thinking so that it is regarded as more than a Golf Resort.

We want to grow and expand our range of community amenities – including our cafes, bars and restaurants so that all residents and visitors feel welcome – not just our golf club members.

New services will provide residents of all ages with an expanded leisure offering within walking distance, as well as new job opportunities close to home. The redevelopment will generate up to 300 construction and 50 permanent jobs.

### Question

What new services should be included in the Community Entertainment Hub?
